Enkel essentiel elegance. Eksklusiv og skræddersyet takket være de mange matchende muligheder. Både den tidløse, æstetiske enkelhed med push-to-open-systemet og de grafiske, funktionelle former på grebene bidrager til at skræddersy dit møbel til ethvert projekt. De enkelte kompositioner kan tilpasses nærmest til uendelighed.

/ Simple in its elegance and essentialism, exclusive and customizable thanks to the many matching possibilities. Both the timeless aesthetic simplicity of a door with the push-to-open system and the graphic and functional form of the handle express the ability to make every project sartorial, to give to each composition a "tailored" suit look.

GYLDIGHED FOR DETTE KATALOG:

- Prislisten gælder for 2021. Der tages forbehold for generelle prisstigninger hos Mosaikhjørnets leverandører og force majeure.
- Der tages forbehold for tryk-/ og/eller tastefejl, samt udsolgte varer.
- Ved bestilling er ordren bindende, da alle varerne i dette katalog fremstilles per ordre.

SÆRLIGT HJEMTAGNE VARER

- Specielt hjemtagede og producerede varer, samt tilbud/udsalg/rest/udstillingsmodel tages ikke retur.
- Når først ordren er sendt i produktion, kan der ikke længere foretages ændringer, og fortrydelses- og returretten bortfalder hermed.

AB LAGER = varen afhentes hos Mosaikhjørnet (efter aftale).

Bemærk at vores hovedlagers adresse er Kirkebjerg Parkvej 7, 2605 BRØNDBY

Kirkebjerg Parkvej hed tidligere Industrivej (ved brug af kort og GPS). Der kan kun udleveres varer mod forevisning af original faktura/følgeseddel.

KONTROL AF VARER OG VAREANTAL

HUSK at kontrollere alle dine varer ved udleveringen. Møbler og keramiske materialer er fremstillet af naturprodukter, hvorfor de kan veksle i farvenuancer. Fabrikanten samt Mosaikhjørnet kontrollerer dette, men der kan opstå pakkefejl i farver/mønstre og antal. Derfor beder vi DEM kontrollere alle de leverede materialer, herunder Møbler, Vaske, Spejle, Lamper, Fliser, Klinker og Mosaik og fuger VISUELT for fejl og nuancer ved udleveringen, og senest inden de bliver opsat eller lagt.

Dette naturligvis for at vi kan rette en eventuel fejl. Farveprøver på alle typer varer, er kun en indikator for udseende, farve og struktur. De er ikke 100 % retvisende.

Opmåling og udregning af antal/m² er kun vejledende og er ikke ansvarspådragende for MOSAIKHJØRNET A/S.

OBS!!! HUSK der aldrig må anvendes syre uden at vi har talt sammen.

TILBUD OG AFTALTE PRISER

Tilbud eller aftalt pris gælder med forbehold for prisændringer, som rammer Mosaikhjørnet i leverandørleddet, fra tilbuds- eller aftaledagen til fakturadatoen, der giver Mosaikhjørnet ret til at ændre den tilbudte pris tilsvarende. Indtrækker der fra tilbuds- eller aftaledagen til fakturadato på grund af en myndighedsbeslutning nogen ændring i valutakurser el.lign., som påvirker tilbudt eller aftalt pris, forbeholder Mosaikhjørnet sig ligeledes ret til at ændre prisen tilsvarende.

Der tages endvidere forbehold for taste- og/eller trykfejl og udsolgte varer.
