CARRY SERIES

Carry Hooks for a weightless hallway display. The Carry Hooks are made to make an impression with its slim cylinder and weightless look. Henrik Tengler designed the Carry Hooks with a vision to offer a way to create more inspiring hallway designs in all types of foyers and apartment halls. The Carry Hooks polyester string may be adjusted in length to suit your room height and design.

WISHBONE HALL STAND

The Wishbone Hall Stand is modern and unconventional in its design.

The purist replication of a tree trunk with branches acted as inspiration for this design idea resulting in an elegant and functional hall stand. The Wishbone Hall Stand comes in several combinations of powder coated steel and polished stainless steel in a variety of FROST finishes. Altogether, the Wishbone Hall Stand is both versatile and sculptural in its appearance. It adds excitement to modern spaces and can be used in private homes, public spaces, and offices.

WISHBONE TABLES

The Wishbone Table is charismatic and modern in its appearance with a design inspired by a wishbone. The asymmetrical placement of the table leg adds a dynamic momentum to the form of the table and ensures its functionality as a “C table”. The tabletop can be placed over a seating area as support for a laptop or as a side table for a cup of coffee. The Wishbone Table is made of powder coated steel and aluminium. It comes in three sizes and the two Frost finishes: Matt Black and Matt White.
